FAQ

[Pimsleur Mandarin Chinese II 11](#)

---

**Review #1:** *It delivers what it promises. The only thing it doesn't cover is reading and writing but is unbeatable in speaking. You begin to understand within the first 30 minute lesson. It's designed to be taught in a context and easy to remember.*

**Review #2:** *It teaches better than Rosetta stone. With Rosetta stone eventually you can't figure out what the pictures mean. The conversation is explained much better with Pimsleur.*
